## TRANSBORDER AREAS

### NEW CHALLENGES OF REGIONAL DEVELOPMENT IN DEMOCRATIC WORLD

**W**e would like to invite you to participate in the International Conference on **"Transborder areas - new challenges of regional development in democratic world"**.

The objective of the conference is to hold a debate on social economic and cultural phenomena as well as processes taking place on transborder areas. The exchange of experiences between businesses, local government institutions and universities in the field of border cooperation is especially important in the face of integration and desintegration processes.

The conference may help to identify and evaluate different forms of transborder cooperation, to program and plan joint actions and projects in for optimizing transborder infrastructure, establishing proper rules of competition stimulating the development on both sides of boarders.

The conference sessions are planned as follows:

- cultural heritage and public awareness,
- economic potential and methods of its stimulation in transborder areas,
- demographic processes and living conditions,
- towards coherent system of monitoring and research of transborder processes: experiences and perspectives,
- transborder statistics - information foundations of regional policy.

**Jaroslaw** - city in the Podkarpackie voivodship. It has a rich tradition and numerous monuments. State Higher School of Technology and Economics in Jarosław has its premises here along with the area of Special Economic Zone EURO-PARK Mielec is located here.

**Rzeszow** - city in southeastern Poland, the capital of Podkarpackie voivodship, as well as industrial, academic and cultural center. University of Rzeszow and Rzeszow University of Technology have their premises here together with Podkarpackie Science and Technology Park. The city has many historical monuments.

**Lviv** - city in western Ukraine, the capital of Lviv region. Industrial, academic and cultural center. The Lviv University and Lviv Polytechnic National University have their premises here along with valuable collection of historic buildings inscribed on the UNESCO World Heritage Site.
